

## **SECTION II: FIREGROUND OPERATIONS AND FIRE RELATED DUTIES**

### **2.1 ORDER OF RESPONSE**

2.1.1 Vehicles shall respond to various types of emergency assignments in the order as directed by the respective Battalion Chief and in consultation with the District/Deputy Fire Chief. If a vehicle is not listed under a certain type of alarm, then that vehicle shall remain at the station during the assignment unless directed to respond.

2.1.2 The general types of alarms for which corresponding orders of vehicle response will be assigned includes, but may not be limited to those listed below.

- Structure (**Engine, Ladder, Rescue, Utilities**)
- Woods or brush (**Engine, Power Wagon**)
- Motor Vehicle (**Rescue, Rescue Engine, Engine, Utilities**)
- Dumpster or trash (**Engine**)
- Mutual aid
