

## **SECTION II: FIREGROUND OPERATIONS AND FIRE RELATED DUTIES**

### **2.3 RADIO PROCEDURES**

- 2.3.1 The current radio procedures of the Gloucester County Communications Center, or other agency having jurisdiction, shall be followed at all times. (See Appendix A.)
- 2.3.2 Radio transmissions shall be minimized to necessary messages only. They shall be short, to the point, and professional at all times. Abusive language will not be tolerated. Radios are to be used for official business only.
- 2.3.3 When communicating by radio, the applicable guidelines under Subsection 6.9 should be observed.
